

## Sausage grill Metos GL14RT65/2

### Produktdata

---

Varenummer	4171826
Varenavn	Sausage grill Metos GL14RT65/2
Størrelse	725 x 595 x 170 mm
Vægt	30,000 kg
Kapasitet	39 korv (18-21 cm)
Teknisk informasjon	230 V, 10 A, 2,15 kW, 1NPE, 50/60 Hz

### Beskrivelse

The Roller grill is the ideal equipment for cooking and keeping sausages, wraps and pizza rolls warm.

The Metos roller grill heats the sausages up to the required temperature while the rollers turn slowly. The roller grill consists of 14 rollers, width of rollers 560 mm. The rollers turn slowly to rotate and cook the products evenly. Inside the rollers is a heating element, which provides a constant and even temperature. Easy control of temperature and the 2 heat zones.

The roller grill has adjustable temperature settings, which is controlled by an energy regulator. The equipment is easy to operate and clean, as there is an easy access to all parts of the grill.
