Beskrivelse

Metos warmer drawer HDM-1 is ideal for storing thin products that are not stacked.

Hold everything from meat to vegetables to rolls in Metos Drawer Warmer HDM-1. Each Drawer features adjustable sliding vents and individual thermostatic controls to hold a variety of hot foods safely for peak serving periods.

Heavy-duty construction with durable drawer frame and slides. The drawer assembly shall fully extend to allow removal of pans without tilting.

Includes 1 full-size stainless steel 150 mm food pan for each drawer.

Angled chrome handle deflects cart traffic. Easy to clean, black power coated exterior for freestanding model.

- one warmer drawer
- each drawer with individual temperature and humidity adjustment
- all stainless steel construction
- adjustable legs 102 mm
- one full-sized S/S 150mm pan included in every drawer

- black powercoated exterior
