

Vinkøleskab Metos TFW200-2S

Produktdata

Varenummer	4162270
Varenavn	Vinkøleskab Metos TFW200-2S
Størrelse	595 x 570 x 820 mm
Vægt	44,000 kg
Kapasitet	155 liter
Teknisk informasjon	220-240 V, 0,16 kW, 1NPE, 50/60 Hz, 40 dB
Net volum, l	131 liter
Kjølemedie	R-600a
Mængde kølemiddel, g/kg	35

Beskrivelse

The wine cabinet Metos TFW200-2S is designed for the aesthetically attractive display of wine bottles and for storing them at an appropriate temperature.

The wine cabinet Metos TFW200-2S has a net volume of 131 litres and holds 46 x 0.75 litre bottles. The cabinet has two individually adjustable modes with adjustable temperatures of + 5°C to + 10°C / + 10°C to + 18°C. Temperature control and display are located inside the unit. The fans provide a constant cold air circulation throughout the cabinet. The refrigerant is environmentally friendly R600a.

The wine closet has six wooden shelves. LED illumination gives bright and even light and brings drinks to the fore. The light has a separate switch, so closing it does not turn off cabinet cooling. The interior

liner of the appliance is black-painted. The equipment has a right-handed glass door and the entire door length handle is stainless steel. The door's handedness is interchangeable. Smooth surfaces, removable shelves and automatic defrosting make it easy to keep the device clean.

- right hinged glass door , handedness is interchangeable
- with lock
- capacity 46 pcs/750 ml bottles
- net volume is 131 litres
- two individually adjustable modes with adjustable temperatures of + 5° C to + 10°C / + 10°C to + 18°C
