Størrelse	595 x 680 x 1760 mm
Vægt	106,000 kg
Kapasitet	165 flasker 0,75
Teknisk informasjon	230 V, 13 A, 0,22 kW, 1NPE, 50/60 Hz, 39 dB
Net volum, l	350 liter
Kjølemedie	R600a
Mængde kølemiddel, g/kg	55

Beskrivelse

The wine cabinet Metos TFW400-S is designed for the aesthetically attractive display of wine bottles and for storing them at an appropriate temperature.

The wine cabinet Metos TFW400-S has a net volume of 350 litres and holds 165x 0.75 litre bottles. The cabinet has one temperature zone of + 5°C to + 18°C. Temperature control and display are located inside the unit. The fans provide a constant cold air circulation throughout the cabinet. The refrigerant is environmentally friendly R600a.

The wine cabinet has 15 wooden shelves. LED illumination gives bright and even light and brings drinks to the fore. The light has a separate switch, so closing it does not turn off cabinet cooling.

The exterior and interior liner of the appliance is black-painted. The

right-handed glass door has a stainless steel handle. The door is interchangeable. Smooth surfaces, removable shelves and automatic defrosting make it easy to keep the device clean.

- one temperature zone : +5...+18°C
- stainless steel door frame and handle
- LED inner light
- fifteen wooden wine shelves
- right hinged glass door, reversible
- anti vibration cooling system
- lock
